

CUSTOM DESIGNS

pmg-inc.com

Our Gearless adjustable clip can be mounted to rectangular or square posts. We are not limited to a 1" round post.

Most any design your brain can imagine, we can build.
Custom cut post designs available!!

If you want the clean look of a no post design, PMG has you covered with our UV Bonded line.

Have a radius counter? PMG can match it with curved glass and a variety of tubing sizes and finishes.
